RE: VPDES Permit No. VA0073318, Revocation and Reissuance

Dear Ms. Heisig-Mitchell:

Your VPDES permit is enclosed. As indicated in the fact sheet, your permit has changed. Please read the permit carefully because you are responsible for complying with all conditions of the permit. The first DMR required by this permit for monthly monitored parameters is due March 10, 2016 for the period of February 1 through February 29, 2016. The first DMR required by this permit for quarterly monitored parameters is due on July 10, 2016 for the period of April 1 through June 30, 2016. The first DMR required by this permit for annually monitored parameters is due on January 10, 2018 for the period of January 1 through December 31, 2017. If you still have DMR data to report as required by the previous permit please submit it as an attachment to the first DMR required by this permit. Monitoring results on the DMRs should be reported to the same number of significant digits as are included in the permit limit for the parameter. Please send DMRs to:

Virginia DEQ - Piedmont Regional Office
4949-A Cox Road
Glen Allen, VA 23060

An electronic DMR is available through e-DMR. If you have not already done so, please register for e-DMR participation now in order for the e-DMR application to be processed prior to the first DMR due date for this reissuance and to avoid non-compliance with the permit reporting requirements. The following website provides details, and our regional e-DMR administrator, Patrick Bishop (804-527-5127, patrick.bishop@deq.virginia.gov), can also assist you:
